What you would not want done to yourself,
Don't do to others. = Cause no harm.
This is the universal civilization standard.
Do Good Be Kind gives most Happiness.

The above should be expected of every adult and taught to every child and made the human law for all.
If harmers were punished we could have a wonderful world.

Freedom of speech and media safeguards freedom.
Our Constitution and Universal Declaration of Human Rights gives us many Freedoms.
Where they censor speech, information and books they will take away your freedom.

FREEDOM ISN'T FREE, MANY DIED FOR YOURS. We veterans remind you to: Be vigilant and be prepared to fight threats to your freedom. There are many here who are secretly against our way of life. Remember 9-11, Boston massacre, Detroit bomber, Mslm terrorists who nearly cause hundreds of deaths of children and Warren workers in 2026. And over 49,000 Mslm terror attacks since 9-11 worldwide and killing nearly 200 in USA.

And there are the greedy 1% who have excessive wealth dodge taxes, and Corporations who don't pay a living wage. We now have the resources to provide good clothing, food, housing, medical care and education to all citizens..

Imerzel James Scout leader in 1960s and 1970s Positive influence on many youth.

Imerzel James This man was an engineer and a salesman in Warren who lived on Marr Street. He did many good deeds for our community not the least of which was as a leader in Boy Scouts and Explorer scouts. He rescued a scout troop that had

lost its leadership. He sponsored poor boys so they could go to camp. He led field trips for young people. He provided a good example to many youth. I can say that he taught good ideals, and preparedness and he made a difference in many lives. Need More Information

Irving Washington (April 3, 1783 – November 28, 1859) was an American author, essayist, biographer, historian, and diplomat of the early 19th century. He is best known for his short stories "The Legend of Sleepy Hollow" and "Rip Van Winkle", both of which appear in his book The Sketch Book of Geoffrey

Crayon, Gent. His historical works include biographies of George Washington, Oliver Goldsmith and Muhammad, and several histories of 15th-century Spain dealing with subjects such as Christopher Columbus, the Moors, and the Alhambra. Irving served as the U.S. ambassador to Spain from 1842 to 1846.From Wikipedia, the free encyclopedia This entry is here because there was a Warren branch library at 5951 Beebe named after him in January 1958.

JANNUS, ROGER W. WAS BORN DECEMBER 25, 1886, AND ENLISTED IN THE SERVICE APRIL 1917. HE WAS TRANSFERRED TO THE AIR SERVICE, AND WAS **KILLED AT ISSOUDUN, FRANCE,** September 4, 1918. A memorial with his name on it and 29 other soldiers was stolen by the Warren Hysterical grave robbing gang in 2011 without just cause. They have stolen at least five memorials including a memorial to all veterans and those who died in attacks on our country. (Such as Pearl Harbor and 9-11) More memorials are now missing. They do not own the memorials or the cemetery. This was done in secret without a vote of the membership or a public hearing. Nothing was found wrong with these memorials at a public meeting afterwords. This shows disrespect to our

soldiers and those who died including 400 policemen and firemen. We veterans want these memorials replaced. See macombhistory.us for details. Need More Information
